**AGREEMENT
FOR
ON-CALL PROFESSIONAL SERVICES
TELECOM LAW FIRM PC**

This AGREEMENT FOR ON-CALL PROFESSIONAL SERVICES ("**Agreement**") is effective as of November 1, 2023 ("**Effective Date**"), and is by and among the City of Camarillo, a California general law city and municipal corporation ("**City**"), and Telecom Law Firm PC, a corporation ("**Consultant**").

Section 1. Term of Agreement.

1.1 Subject to the provisions of Section 20 (Termination of Agreement), the term of this Agreement will be for a period commencing on the Effective Date and will terminate on October 31, 2024, unless extended by mutual agreement. Upon mutual written agreement by the City and the Consultant, this Agreement may be extended for up to one (1) additional two-year term by the City Manager.

Section 2. Scope and Performance of Services.

2.1 Consultant agrees to perform the planning services set forth in Exhibit A (Scope of Services), which is made a part of this Agreement. Consulting services required by City will be provided on an as-needed basis with City determining and advising Consultant as to when specific services are required to be performed or completed by Consultant. The specific services required of Consultant under this Agreement will consist of the tasks and obligations defined in a Task Order issued by City including specific project scopes of work and services requested by City.

2.2 Consultant will furnish all of the labor, technical, administrative, professional and other personnel, all supplies and materials, equipment, printing, vehicles, transportation, office space and facilities, and all tests, testing and analyses, calculations, and all other means whatsoever, except as otherwise expressly specified in this Agreement, necessary to perform the services required of Consultant under this Agreement.

2.3 Consultant's designated representative(s) who are authorized to act on its behalf and to make all decisions in connection with the performance of services under this Agreement are listed in Exhibit B (Key Personnel & Compensation), which is made a part of this Agreement.

2.4 Consultant must make every reasonable effort to maintain the stability and continuity of Consultant's key personnel and subcontractors, if any listed in Exhibit B to perform the services required under this Agreement. Consultant must notify City and obtain City's written approval with respect of any changes in key personnel prior to the performance of any services by replacement personnel.

2.5 Consultant must obtain City's prior written approval before utilizing any subcontractors to perform any services under this Agreement. This written approval must include the identity of the subcontractor and the terms of compensation.

2.6 Consultant represents that it has the qualifications, experience, and facilities necessary to properly perform the services required under this Agreement in a thorough, competent and professional manner. Consultant will, at all times, faithfully, competently and to

the best of its ability, experience, and talent, perform all services described in this Agreement. In meeting its obligations under this Agreement, Consultant must employ, at a minimum, generally accepted standards and practices utilized by persons engaged in providing services similar to those required of Consultant under this Agreement.

2.7 City may inspect and accept or reject any of Consultant's work under this Agreement, either during performance or when completed. Acceptance of any of Consultant's work by City will not constitute a waiver of any of the provisions of this Agreement.

Section 3. Additional Services and Changes in Services.

3.1 Consultant will not be compensated for any services rendered in connection with its performance of this Agreement that are in addition to or outside of those set forth in Scope of Services or otherwise required by this Agreement unless such additional services are authorized in advance and in writing by City.

3.2 If Consultant believes that additional services are needed to complete the Scope of Services, Consultant will provide the City Manager with written notification describing the proposed additional services, the reasons for such services, and a detailed proposal regarding cost.

3.3 City may order changes to the Scope of Services, consisting of additions, deletions, or other revisions, and the compensation to be paid Consultant will be adjusted accordingly. All such changes must be authorized in writing and executed by Consultant and City. The cost or credit to City resulting from changes in the services will be determined by the written agreement between the parties.

Section 4. Familiarity with Services and Site.

4.1 By executing this Agreement, Consultant represents that Consultant:

- (a) has thoroughly investigated and considered the Scope of Services to be performed;
- (b) has carefully considered how the services should be performed;
- (c) understands the facilities, difficulties, and restrictions attending performance of the services under this Agreement; and
- (d) possesses all licenses required under local, state or federal law to perform the services contemplated by this Agreement and will maintain all required licenses during the performance of this Agreement.

4.2 If services involve work upon any site, Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, before commencing its services. Should Consultant discover any latent or unknown conditions that may materially affect the performance of services, Consultant will immediately inform City of such fact and will not proceed except at Consultant's own risk until written instructions are received from City.

Section 5. Compensation and Payment.

5.1 Subject to any limitations set forth in this Agreement, City agrees to pay Consultant for Consultant's services not to exceed sum(s) as set forth in duly executed Task Order(s). City will pay this sum(s) on the basis of the hourly rates and cost reimbursement rates in effect on the date of the executed Task Order as specified in the attached Exhibit C not to exceed \$30,000 per year. If Consultant is not in agreement with the terms of a Task Order, Consultant must notify City prior to starting work on the Task Order.

5.2 Each month during the term of this Agreement in which the Consultant renders services the Consultant must furnish City with an original invoice for all services performed and expenses incurred during the preceding month in accordance with the fee schedule set forth in Exhibit C. The invoice must detail individual task order charges by the following categories: labor (by subcategory), reimbursable costs, subcontractor contracts and miscellaneous expenses. **The invoice must list, as applicable, the hours worked and hourly rates for each personnel, year-to-date hours worked for each personnel, the tasks performed, the percentage of the task completed during the billing period, the cumulative percentage completed for each task, the total cost of the services and a budget recap for the Task Order. Each Task Order must be invoiced separately.**

5.3 City will review each invoice submitted by Consultant to determine whether the work performed and expenses incurred are in compliance with this Agreement. **In the event that no charges or expenses are disputed, the invoice will be approved and paid. In the event any charges or expenses are disputed by City, the original invoice will be returned by City to Consultant for correction and resubmission.**

5.4 Except as to any charges for work performed or expenses incurred by Consultant that are disputed by City, City will cause Consultant to be paid within 30 days of receipt of Consultant's invoice. Payments for out-of-scope work will only be made after City processes a Task Order amendment for the specific special tasks. A written scope of work, an agreed upon additional fee, a schedule for starting and completing the special tasks, and an agreed upon extension of the time for performance, if needed to complete the special work, will be required before City issues a notice to proceed for special work. All special work will be subject to all other terms and provisions of this Agreement.

5.5 Payment to Consultant for services performed under this Agreement may not be deemed to waive any defects in the services performed by Consultant, even if such defects were known to City at the time of payment.

5.6 City reserves the right to withhold future payment to Consultant if any aspect of the Consultant's work is found substantially inadequate.

Section 6. Required Documentation Prior to Performance.

6.1 Consultant may not perform any services under this Agreement until:

- (a) Consultant furnishes proof of insurance as required under Exhibit D;
- (b) Consultant provides City with a Taxpayer Identification Number;
- (c) Consultant obtains a City business tax certificate and license, if applicable, and provide proof of compliance; and

(d) City gives Consultant a written notice to proceed.

6.2 City will have no obligation to pay for any services rendered by Consultant in advance of receiving written authorization to proceed, and Consultant acknowledges that any such services are at Consultant's own risk.

Section 7. Time of Performance; Excusable Delays; Extensions.

7.1 The time allowed for Consultant's completion of the services to be provided in accordance with the provisions of any Task Order will be as set forth in the Task Order.

7.2 When services are requested by City, Consultant will commence the requested services within a two-week notice period at any time during the term of this Agreement. City may terminate this Agreement as stated in Section 20.

7.3 Consultant will adhere to all schedules and deadlines set forth in this Agreement and any Task Order.

7.4 Consultant will not be liable for damages, including liquidated damages, if any, caused by delay in performance or failure to perform due to causes beyond the control of Consultant. Such causes include, but are not limited to, acts of God, acts of terrorism, acts of federal, state or local governments, acts of City, court orders, fires, floods, epidemics, strikes, embargoes, and unusually severe weather.

7.5 If Consultant is delayed by any cause beyond Consultant's control, City may grant, but is not required to, a time extension for the completion of services. If delay occurs, Consultant must notify City within 48 hours, in writing, of the cause and the extent of the delay and how such delay interferes with Consultant's performance of services.

Section 8. Cooperation by City.

All public information, data, reports, records, and maps as are existing and available to City as public records, and which are necessary for carrying out the Scope of Services will be furnished to Consultant in every reasonable way to facilitate, without undue delay, the services to be performed under this Agreement.

Section 9. Project Documents.

9.1 All original computer programs, data, designs, drawings, files, maps, memoranda, models, notes, photographs, reports, studies, surveys and other documents (collectively, "**Project Documents**") prepared, developed or discovered by Consultant in the course of providing services under this Agreement will become the sole property of City and may be used, reused or otherwise disposed of by City without the permission of Consultant. Consultant will take such steps as are necessary to perfect or protect the ownership interest of City in such Project Documents. Upon completion, expiration or termination of this Agreement or upon request by City, Consultant must turn over to City all such original Project Documents in its possession; provided, however, that Consultant may retain copies of Project Documents. City acknowledges and agrees that use of Consultant's completed work product, for purposes other than identified in this Agreement, or use of incomplete work product, is at City's own risk.

9.2 Except as necessary for the performance of services under this Agreement, no Project Documents prepared under this Agreement will be released by Consultant to any other

person or entity without City's prior written approval. All press releases, including graphic display information to be published, must be approved and distributed solely by City, unless otherwise agreed to in writing by City.

Section 10. Confidential Information; Release of Information.

10.1 All information gained or work product produced by Consultant in performance of this Agreement will be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant may not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the City Manager, except as may be required by law.

10.2 Consultant, its officers, employees, or agents, may not, without prior written authorization from the City Manager or unless requested by the City Attorney/Legal Counsel of City, voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order will not be considered "voluntary," provided Consultant gives City notice of such court order or subpoena.

10.3 If Consultant, or any officer, employee, or agent of Consultant, provides any information or work product (including Project Documents) in violation of this Agreement, then City will have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorneys' fees, caused by or incurred as a result of Consultant's conduct.

10.4 Consultant must promptly notify City should Consultant, its officers, employees, or agents be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the services performed under this Agreement. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite such response.

10.5 All media and press releases, including graphic display information, must be approved and distributed solely by City, unless otherwise agreed to in writing by City. All media interviews regarding the performance of services under this Agreement are prohibited unless expressly authorized by City.

Section 11. Consultant's Books and Records.

11.1 Consultant must maintain all documents and records demonstrating or relating to Consultant's performance of services under this Agreement including all ledgers, books of account, invoices, vouchers, canceled checks, or other documents or records evidencing or relating to work, services, expenditures and disbursements charged to City under this Agreement. All financial documents or records must be maintained in accordance with generally accepted accounting principles and all other documents must be sufficiently complete and detailed so as to permit an accurate evaluation of the services provided by Consultant under this Agreement. All such documents or records must be maintained for at least three years following the final payment under this Agreement.

11.2 Any and all records or documents required to be maintained by this section must be made available for inspection, audit and copying, at any time during regular business hours, upon written request by City or its designated representative. Copies of such documents or records must be provided directly to City for inspection, audit and copying when it is practical to do so; otherwise, unless an alternative is mutually agreed upon, such documents and records must be made available at Consultant's address indicated for receipt of notices in this Agreement.

11.3 Where City has reason to believe that any of the documents or records required to be maintained by this section may be lost or discarded due to dissolution or termination of Consultant's business, City may, by written request, require that custody of such documents or records be given to a person or entity mutually agreed upon and that such documents and records thereafter be maintained by such person or entity at Consultant's expense. Access to such documents and records must be granted to City, as well as to its successors-in-interest and authorized representatives.

Section 12. Status of Consultant.

12.1 Consultant is and will at all times remain a wholly independent contractor and not an officer or employee of City. Consultant has no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Agreement or is otherwise expressly conferred in writing by City.

12.2 The personnel performing the services under this Agreement on behalf of Consultant will at all times be under Consultant's exclusive direction and control. Neither City, nor any elected or appointed boards, officers, officials, employees or agents of City, will have control over the conduct of Consultant or any of Consultant's officers, employees or agents, except as provided in this Agreement. Consultant agrees that it will not at any time or in any manner represent that Consultant or any of Consultant's officers, employees or agents are in any manner officials, officers, or employees of City.

12.3 Neither Consultant, nor any of Consultant's officers, employees or agents, will obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim to any such rights or benefits.

Section 13. Compliance with Applicable Laws.

13.1 In General. Consultant must use the standard of care in its profession to keep itself informed of and comply with all federal, state and local laws, statutes, codes, ordinances, regulations and rules in effect during the term of this Agreement that apply to the services performed by Consultant.

13.2 Professional Licenses and Approvals. Consultant agrees that it will, at its sole cost and expense, obtain and maintain in effect at all times during the term of this Agreement any licenses, permits, insurance and approvals that are legally required for Consultant to practice its profession.

13.3 Employment Laws. Consultant agrees to comply with all applicable federal and state employment laws including those that relate to minimum hours and wages, occupational health and safety, and workers compensation insurance. Consultant further represents that it is an equal opportunity employer and in performing services under this Agreement agrees to comply with all applicable federal and state laws governing equal opportunity employment, and further

agrees that it will not discriminate in the employment of persons to perform services under this Agreement on the basis of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation of any such person, except as may be permitted by California Government Code section 12940.

Section 14. Unauthorized Aliens.

Consultant agrees to comply with all of the applicable provisions of the Federal Immigration and Nationality Act (8 U.S.C. § 1101 and following.), as it may be amended, and further agrees not to employ unauthorized aliens as defined under the Act. Should Consultant employ any unauthorized aliens for the performance of any work or services covered by this Agreement, and should any liability or sanctions be imposed against City for the use of unauthorized aliens, Consultant agrees to reimburse City for the amount of all such liabilities or sanctions imposed, together with any and all related costs, including attorneys' fees, incurred by City.

Section 15. Conflicts of Interest.

15.1 Consultant covenants that neither Consultant, nor any officer, principal or employee of its firm, has or will acquire any interest, directly or indirectly, that would conflict in any manner with the interests of City or that would in any way hinder Consultant's performance of services under this Agreement. Consultant's attention is directed to the conflict of interest rules applicable to governmental decision-making contained in the Political Reform Act (California Government Code Section 87100 and following) and its implementing regulations (California Code of Regulations, Title 2, Section 18700 and following), and California Government Code section 1090.

15.2 Consultant covenants that neither Consultant, nor any officer, principal or employee of its firm will make, participate in the making, or in any way attempt to use the position of Consultant to influence any decision of the City in which Consultant knows or has reason to know that Consultant, or any officer, principal or employee of Consultant has any of the financial interests listed in Government Code section 87103.

15.3 If Consultant discovers that it has employed a person with a direct or indirect interest that would conflict with its performance of this Agreement, Consultant must promptly disclose the relationship to City and take such action as City may direct to remedy the conflict.

15.4 City understands and acknowledges that Consultant is, as of the Effective Date, independently involved in the performance of non-related services for other governmental agencies and private parties. Consultant represents that, except as otherwise disclosed to City, it is unaware of any stated position of City relative to these projects. Any future position of City on these projects will not be considered a conflict of interest for purposes of this section.

Section 16. Indemnification.

16.1 Consultant agrees that it will, to the fullest extent permitted by law, defend, indemnify, and hold harmless City from all Services Claims and Operations Claims (each defined below) related to the performance by Consultant of this Agreement as provided in this section. Consultant acknowledges that City would not enter into this Agreement in the absence of Consultant's commitment to defend, indemnify, and hold harmless City as set forth in this section.

16.2 For the purposes of this section, “City” includes City’s officers, officials, employees, agents and volunteers, and “Consultant” includes Consultant’s officers, officials, employees, agents and subcontractors and any other persons for whom Consultant is legally responsible.

16.3 With respect to the performance of professional services under this Agreement where the law establishes a professional standard of care for such services, Consultant agrees to indemnify, and hold harmless City from and against all liabilities, damages, losses, and costs, including but not limited to reimbursement of reasonable attorney’s fees and all other costs of defense, to the extent caused by the negligence, recklessness, or willful misconduct of Consultant (collectively, “**Services Claims**”).

16.4 With respect to the acts and operations of Consultant under this Agreement other than the performance of professional services, Consultant agrees to defend, indemnify, and hold harmless City from and against any and all claims, liabilities, damages, losses, and costs, including but not limited to reasonable attorney’s fees and all other costs of defense, to the extent caused, in whole or in part, by the negligence, recklessness, or willful misconduct of Consultant, and excepting only those claims, damages, liabilities, losses, and costs caused by City’s sole negligence or willful misconduct (collectively, “**Operations Claims**”).

16.5 Consultant must notify City within five days of receipt of notice of any Operations Claims or Services Claims made or legal action initiated that arises out of or pertains to Consultant’s performance of services under this Agreement.

16.6 Consultant’s duty to defend Operations Claims is a separate and distinct obligation from Consultant’s duty to indemnify City for any Operations Claims. With respect to Operations Claims, Consultant is obligated to defend City in all legal, equitable, administrative, or special proceedings, with counsel reasonably approved by City, immediately upon tender to Consultant of an Operations Claim in any form or at any stage of an action or proceeding, whether or not liability is established. An allegation or determination that persons other than Consultant are responsible for the Operations Claim does not relieve Consultant from its separate and distinct obligation to defend under this section. The obligation to defend extends through final judgment, including exhaustion of any appeals.

16.7 Consultant agrees that settlement of any Operations or Services Claim against City requires the consent of City. City agrees that its consent will not be unreasonably withheld provided that Consultant is financially able (based on demonstrated assets including insurance) to fulfill its obligation to indemnify City for the costs of any such settlement as required under this Agreement.

16.8 The insurance required to be maintained by Consultant under this Agreement is intended to ensure Consultant’s obligations under this section, but the limits of such insurance do not limit the liability of Consultant.

16.9 Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth in this section from each subcontractor or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. If Consultant fails to obtain such indemnity obligations from others as required, Consultant will be fully responsible for all obligations under this section. City’s failure to monitor compliance with this requirement imposes no additional obligations on City and will in no way act as a waiver of any rights under this Agreement.

16.10 The parties acknowledge and agree that design professionals are required to defend and indemnify the City only to the extent permitted by Civil Code section 2782.8, which allows for claims only to the extent that they arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the design professional, and also places limitation on the costs of defense that may be charged to a design professional. The term "design professional," is defined in Section 2782.8, and includes licensed architects, licensed landscape architects, registered professional engineers, professional land surveyors and the business entities that offer such services in accordance with the applicable provisions of the Business and Professions Code. The parties further acknowledge and agree that the provisions of this Section 16 are to be interpreted and applied to the fullest extent permitted by Civil Code section 2782.8.

16.11 The provisions of this section will survive the expiration or earlier termination of this Agreement in accordance with the applicable provisions of Exhibit D (Insurance).

Section 17. Insurance.

Consultant agrees to obtain and maintain in full force and effect during the term of this Agreement the insurance coverages listed in Exhibit D (Insurance), which is made a part of this Agreement. All insurance policies are subject to approval by City as to form and content. These requirements are subject to amendment or waiver if so approved in writing by the City Manager or City Attorney/General Counsel.

Section 18. Assignment.

The expertise and experience of Consultant are material considerations for this Agreement. City has an interest in the qualifications of and capability of the persons and entities that will fulfill the duties and obligations imposed upon Consultant under this Agreement. In recognition of that interest, Consultant may not assign or transfer this Agreement or any portion of this Agreement or the performance of any of Consultant's duties or obligations under this Agreement without the prior written consent of City, which may be withheld in the City's sole discretion. Any attempted assignment will be null and void, and will constitute a material breach of this Agreement entitling City to any and all remedies at law or in equity, including summary termination of this Agreement.

Section 19. Default; Limitations on Liability.

19.1 In the event that Consultant is in default under the terms of this Agreement, City will have no obligation or duty to continue compensating Consultant for any services performed after City provides written notice to Consultant of such default.

19.2 Consultant agrees that no City official, officer, employee or agent will be personally liable to Consultant in the event of any default or breach of City, or for any amount which may become due to Consultant, or for any obligations directly or indirectly incurred under this Agreement.

19.3 City's liability under this Agreement is limited to payment of Consultant in accordance with the terms of this Agreement and excludes any liability whatsoever for consequential or indirect damages even if such damages are foreseeable.

Section 20. Termination of Agreement.

20.1 City may terminate this Agreement or any individual Task Order, at any time, with or without cause, at any time by written notice of termination to Consultant. In the event such notice is given, Consultant must cease immediately all work and services in progress.

20.2 Consultant may terminate this Agreement at any time upon 30 days' prior written notice of termination to City.

20.3 Upon termination of this Agreement by either Consultant or City, all property belonging to City that is in Consultant's possession must be returned to City. Consultant must promptly deliver to City a final invoice for all outstanding services performed and expenses incurred by Consultant as of the date of termination. Compensation for work in progress not based on an hourly rate will be prorated based on the percentage of work completed as of the date of termination.

20.4 Consultant acknowledges City's rights to terminate this Agreement as provided in this section, and hereby waives any and all claims for damages that might otherwise arise from City's termination of this Agreement.

1. Application Reviews: At the City's request and within TLF's expertise as a wireless site application reviewer, TLF will review wireless siting applications and provide the City with a written analysis as described below).
2. Wireless Facility Site Memorandum/Memoranda Content:
 - a. **Memorandum Regarding Incomplete Application.** Upon receipt of an application by TLF directly from the City, TLF will identify the regulatory classification under which the project should be processed (i.e., Section 6409(a); Small Wireless Facility; major modification; new site; etc.); and will evaluate and identify whether any items that are required in the City's wireless application that are not completed by the applicant. If there are incomplete items, TLF will send the City an "Incomplete Memorandum" by email or an attachment to an email within:
 - i. nine (9) calendar days for an initial review of a wireless application that is submitted by the applicant as a small wireless facility; or
 - ii. twenty-one (21) calendar days for an initial review of a wireless application that are submitted by the applicant in a category that is not a small wireless facility; or
 - iii. nine (9) calendar days for a resubmittal review of a wireless application that was deemed incomplete.
 - b. **Project Memorandum.** Once an application is determined by the City or deemed by law to be complete, TLF will:
 - i. Discuss and analyze Section 6409(a) applicability which includes an eligible facilities and substantial change analysis;
 - ii. Discuss and analyze Small Wireless Facilities applicability which includes all six criteria as defined by the FCC;
 - iii. Discuss design matters that may reduce the impact of the proposed site configuration;
 - iv. Evaluate time, place, and manner considerations for wireless sites located in the public right-of-way;
 - v. Assess the planned compliance with federal radio frequency exposure guidelines established by the Federal Communications Commission, and;

- vi. determine any other wireless site-related issues that TLF, in its experience and opinion, believes to be relevant or helpful to the City's review of the wireless application.
- vii. At City's option, without an additional fee, TLF shall prepare one revision or follow-up to the Incomplete or Project Memorandum. All additional revisions or follow-ups are charged on an hourly basis.

3. Stand-By Power Generator Reviews

- a. **Incomplete Memorandum.** Upon receipt of a standby power generator application under AB 2421 by TLF directly from the City, TLF will evaluate and identify whether any items that are required in the City's standby power generator application are not completed by the applicant. If there are incomplete items, the TLF will send the City an "Incomplete Memorandum" by email or an attachment to an email within:
 - i. nine (9) calendar days for an initial review of a wireless application that is submitted by the applicant as a standby power generator and TLF shall specify those parts of the application that are incomplete and shall indicate the manner in which they can be made complete, including a list and thorough description of the specific information needed to complete the application;
- b. **Project Memorandum.** Once an application is determined by the City or deemed by law to be complete, TLF will:
 - i. check each project element against the list of criteria specified in AB 2421 for compliance purposes.
 - ii. provide any additional input that may assist the City in processing the project application.
- c. **Memorandum Revision:** At City's option, without an additional fee, TLF shall prepare one revision or follow-up to the Incomplete or Project Memorandum. All additional revisions or follow-ups are charged on an hourly basis.

4. Consultation Time:

- a. TLF will provide reasonable consultation by telephone and/or through e-mail with the City per project at no additional cost for the flat fee portion of any project.
- b. For any project where hourly charges apply (i.e., after the flat fee portion of a project), hourly fees for consultations via telephone and/or email will apply.

It is understood by the parties that every wireless project is unique as to location and design, and some projects may not proceed all the way to an approval or denial, or the project, at a given location, may be moved by an applicant to a different location, which would necessitate an entirely new project review under a separate fee.

- B. **Attendance at Meetings:** As requested by City and subject to TLF's prior availability, TLF will attend in-person and video meetings.
- C. **General Consultation:** At the City's request, TLF will engage with the City in regard to any non-privileged communications within the competence of TLF, as determined by TLF, in any form on a time availability basis of TLF, and invoice on an hourly basis (including travel time from TLF's office to and from the City if necessary and as requested by the City).

EXHIBIT C

TLF consults with and is responsible to the City. The City is responsible for the collection of application fees and the timely payment of TLF's invoices. Payment of TLF's invoices is not contingent upon the City receiving any deposit or reimbursement from any party.

- A. **Flat Fees**: TLF shall perform the services described in Exhibit "A", Section 2, or Section 3 a fixed fee of \$2,710 per project. Project hours are not reported by TLF for the flat fee portion of any flat fee projects.

As a reminder, the FCC allows a jurisdiction to pass through its consulting costs to the applicant. In fact, most jurisdictions do exactly that so that they do not put the processing cost on their constituents, but rather place those costs on the for-profit applicants.

Due to the FCC shot clock as well as related California shot clock time limitations outside of the Permit Streamlining Act, all projects must be submitted to TLF by the City in searchable PDF document format within one (1) calendar day of receipt by the City from the Applicant; provided that if such calendar day falls on a Friday or holiday, the City shall submit such project to TLF the next business day thereafter. Accordingly, TLF urges City to enforce a wireless application requirement that obligates the applicant to tender the entire wireless application, including all exhibits and attachments, in searchable PDF format, as well as in hard copy paper form if desired by the City.

Flat fee projects are billed to the City as a single unit on the first project invoice, which is issued upon submission of TLF's first substantive project memorandum, which may include a memo regarding an incomplete application, a project review memo, or another substantive project-related memo.

The flat fee is fully earned by and payable to TLF once the TLF has provided its first substantive memorandum to the City, even when the project is subsequently cancelled, abandoned, or transferred to a different location. In the event that a project is tendered to TLF by the City but terminated for any reason prior to the issuance of TLF's first memorandum, City shall pay TLF on the hourly basis set out in this Agreement for all time spent by TLF on the project prior to TLF's receipt of City's notice of project termination.

- B. **Hourly Fees:** TLF shall perform all services described in Exhibit “A”, Sections B and C beyond the initial report and one revision (included in the flat fee), and all other extra services that may not be described in Exhibit “A” but were mutually agreed upon by City and TLF, on an hourly fee basis as follows:

Personnel Rate

Per Partner or Senior Project Manager	\$360
Per Associate/Of Counsel or Project Manager	\$300
Per Paralegal or Senior Project Assistant	\$220
Per Assistant or Project Assistant	\$134

All time is billed in 0.1-hour (6 minute) units rounded up to the next 0.1-hour unit.

3. **Annual Fee Adjustments.** The flat rate and hourly fees set out in this Agreement shall automatically increase annually should the parties extend this Agreement, in an amount equal to three percent (3%) of the flat rate and hourly fees for the previous year.
4. **Expenses:** City will reimburse TLF for all ordinary costs and expenses reasonably incurred by TLF in performance of the services provided by TLF to City pursuant to this Agreement.
5. Routine office costs such as computer usage, software, telephone charges, office equipment and supplies, travel, incidental postage, copying faxes, etc. are included in the hourly and flat rates. Plan copying, outside copying and overnight mail will be reimbursed at cost. No minimum number of hours per day will be allowed. Consultants may only bill for actual hours worked.

TLF reminds the City that the State of California allows local governments to recoup from applicants the City the fees associated with needed professional services such as proposed by Telecom Law Firm. This ensures that Camarillo residents need not bear the cost of the wireless permitting processes.

EXHIBIT D

INSURANCE

1. **Required Insurance.** Before commencing any services, Consultant must procure and maintain in full force and effect during the term of this Agreement the following types of insurance with at least the minimum coverage listed and subject to the applicable additional requirements set forth below:

<u>Type of Insurance</u>	<u>Limits (combined single)</u>
Commercial General Liability	\$1,000,000 / \$2,000,000 aggregate
Business Automobile Liability	\$1,000,000
Workers' Compensation	Statutory
Professional Liability	\$1,000,000
Cyber Liability Insurance	\$1,000,000

2. **Insurance Rating.** All insurance required to be maintained by Consultant must be issued by companies licensed by or admitted to conduct insurance business in the State of California by the California Department of Insurance and must have a rating of A- or better and Financial Size Category Class VII or better by the latest edition of A.M. Best's Key Rating Guide, unless otherwise approved by City's legal counsel.
3. **Commercial General Liability Insurance.** The commercial general liability insurance must meet or exceed the requirements of Insurance Services Office (ISO) form CG 00 01, and must be provided on a per occurrence basis for bodily injury, personal injury, and property damage. The policy must include contractual liability that has not been amended. The insurance must be on an "occurrence" not a "claims made" basis. Defense costs must be paid in addition to limits. There must be no cross-liability exclusion for claims or suits by one insured against another. The insurance must include a waiver of subrogation applicable to the insurance or self-insurance, a primary and non-contributory endorsement, and an additional insured endorsement, all in favor of the City, its officers, employees and agents, and volunteers. Any endorsement restricting standard ISO "insured contract" language will not be accepted.
4. **Business Automobile Insurance.** The business automobile insurance coverage must be at least as broad as ISO Business Auto Coverage form CA 00 01, covering bodily injury and property damage for all activities of the Consultant arising out of or in connection with the services to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount stated above per combined single limit for each accident. Such insurance must include both a waiver of subrogation applicable to the insurance or self-insurance, and a primary and non-contributory endorsement, both in favor of the City, its officers, employees, agents, and volunteers.
5. **Workers' Compensation.** If Consultant has any employees, Consultant must maintain workers' compensation insurance (statutory limits) and employer's liability insurance (with limits of at least \$1,000,000). Such insurance must include a waiver of subrogation endorsement in favor of City, its officers, employees, agents, and volunteers.
6. **Professional Liability (Errors & Omissions) Insurance.** The professional liability insurance must cover the services to be performed under this Agreement. The coverage

must be provided on a “claims made” basis. Consultant must maintain continuous coverage through a period not less than three years after the completion of the services required under this Agreement.

7. **Cyber Liability Insurance.** The cyber liability insurance must include the following coverage:

- a. Liability arising from the theft, dissemination and/or use of confidential or personally identifiable information; including credit monitoring and regulatory fines arising from such theft, dissemination or use of the confidential information.
- b. Network security liability arising from the unauthorized use of, access to, or tampering with computer systems.
- c. Liability arising from the failure of technology products (software) required under the Agreement for Consultant to properly perform the services intended.
- d. Electronic media liability arising from personal injury, plagiarism or misappropriation of ideas, domain name infringement or improper deep-linking or framing, and infringement or violation of intellectual property rights.
- e. Liability arising from the failure to render professional services.

If coverage is maintained on a “claims-made” basis, Consultant must maintain such coverage for an additional period of three years following termination of the Agreement.

8. **Umbrella or Excess Liability Insurance.** If an excess or umbrella liability policy is used to meet minimum limit requirements, the insurance must provide coverage at least as broad as specified for the underlying coverages. Any such coverage provided under an umbrella or excess liability policy must include a “drop-down provision” requiring the policy to respond in the event that any primary insurance that would otherwise have applied proves to be uncollectable in whole or in part for any reason. Coverage must be provided on a “pay-on-behalf” basis, with defense costs payable in addition to policy limits. There may be no cross-liability exclusion precluding coverage for claims or suits by one insured against another. The policy must “follow form” to the underlying primary policy. Coverage must be applicable to all insureds under the primary policies. The insurance must contain or be endorsed to contain a waiver of subrogation applicable to the insurance or self-insurance, and a primary and non-contributory endorsement for the benefit of City. The scope of coverage provided is subject to approval of City following receipt of the required proof of insurance.

9. **Deductibles and Self-Insured Retention.** Any deductibles or self-insured retentions applicable to the insurance policies required under this Agreement must be declared to and approved by City. In no event may any required insurance policy have a deductible, self-insured retention or other similar policy provision in excess of \$50,000 without prior written approval by City in its sole discretion. At the option of City, either the insurer will reduce or eliminate such deductibles or self-insured retentions with respect to the City’s additional insureds or Consultant will procure a bond guaranteeing payment of any losses, damages, expenses, costs or settlements up to the amount of such deductibles or self-insured retentions.

10. **Certificates of Insurance and Endorsements; Notice of Termination or Changes to Policies.** Prior to commencing any services under this Agreement, Consultant must file with the City certificates of insurance and endorsements evidencing the existence of all insurance required by this Agreement, along with such other evidence of insurance or

certified copies of policies as may reasonably be required by City. These certificates of insurance and endorsements must be in a form approved by the City's legal counsel. Consultant must maintain current certificates and endorsements on file with City during the term of this Agreement reflecting the existence of all required insurance. Each of the certificates must expressly provide that no material change in the policy, or termination or cancellation of the required coverage, will be effective except upon 30 days' prior written notice to City by certified mail, return receipt requested (except for nonpayment for which a 10-day notice is required). The delivery to City of any certificates of insurance or endorsements that do not comply with the requirements of this Agreement will not waive the City's right to require compliance. In the event that Consultant's policies are materially changed, Consultant must provide the City with at least 30 days' prior written notice of the applicable changes. City reserves the right to require complete, certified copies of all required insurance policies at any time.

11. **Failure to Maintain Required Insurance.** If Consultant, for any reason, fails to have in place at all times during the term of this Agreement all of the required insurance coverage, the City may, but is not obligated to, obtain such coverage at Consultant's expense and deduct the cost from the sums due Consultant. Alternatively, City may terminate the Agreement.
12. **Effect of Coverage.** The existence of the required insurance coverage under this Agreement will not be deemed to satisfy or limit Consultant's indemnity obligations under this Agreement. Consultant acknowledges that the insurance coverage and policy limits set forth in this Agreement constitute the minimum coverage and policy limits required. Should any coverage carried by the Consultant or any subcontractor of any tier have limits of liability that exceed the limits or have broader coverage than required in this Agreement, those higher limits and that broader coverage are deemed to apply for the benefit of any person or organization included as an additional insured and those limits and broader coverage will become the required minimum limits and insurance coverage in all sections of this Agreement. Any insurance proceeds available to City in excess of the limits and coverages required by this Agreement, and which is applicable to a given loss, must be made available to City to compensate it for such losses.
13. **Required Insurance for Subconsultants/Subcontractors.** Consultant agrees to ensure that any subconsultants/subcontractors providing services under this Agreement provide the same minimum insurance coverage and endorsements required of Consultant. Consultant agrees to review and monitor all such coverage and assumes responsibility for ensuring that such coverage is provided in conformity with the requirements of this Agreement.
14. **Right to Revise Insurance Specifications.** City reserves the right to change the amounts and types of insurance required by giving Consultant at least 90 days advance written notice of such change. If such change results in substantial additional cost to Consultant, the parties may renegotiate Consultant's compensation.
15. **Timely Notice of Claims.** Consultant must give City prompt notice of claims made of lawsuits initiated that arise out of or result from Consultant's performance under this Agreement, and that involve or may involve coverage under any of the required liability insurance policies.
