**Subject:** Capital improvements for Crestview Mutual Water

In the next 5 years our CIP plan cover 2 new wells, and generators at 2 well sites. That is all we have on our docket for the moment. Mr Eranio is no longer the steward of Crestview. He retired in Aug of last year. I am the Superintendent of crestview and will be happy to work with you going forward. I do have a question that you might be able to steer me in the right direct with. Pino ct, here in Crestview Estates, was resurfaced within the past 8 months. Who do I contact about the contractor who performed this service? I look forward to hearing from you soon. Thank you

Superintendent
