Good morning Paul, Mary forwarded me your voice mail regarding our 5 year capital plan. We are working on a new 5 year plan now, but what we have scheduled for this year are the following:

1. Senior Center Roof
2. Community Center Sewer Liner in the Quad Area
3. Sewer Line at the CO-OP Pre School out at the Camarillo Airport
4. Septic Tank at Camarillo Grove Park between area #1 and #3
5. Mission Oaks Tennis Courts fixing the concrete where it is popping and raising the Re-Bar then resurface them
6. Freedom Park add a Lighted Dog Park
7. Turf Mitigation (removing more turf in the district)
8. Purchasing a Toro Dingo Tractor

Hope this will work for what you need it for.

Bob,
