## **NOTICE OF PUBLIC HEARING**

The City of Camarillo Planning Commission will conduct a public hearing on **Tuesday, June 6, 2023** at 6:30 p.m. in the City Hall Council Chambers, 601 Carmen Drive, Camarillo, CA 93010 on the following agenda item:

### **Recommendation of a Proposed Zoning Ordinance Amendment to the Camarillo Municipal Code Regarding Self-Storage**

The City is considering a proposed amendment to the Zoning Ordinance of the Camarillo Municipal Code (CMC) to include a definition of self-storage facilities, removing them as a permitted use in the L-M and M-1 Zones, listing them as an expressly prohibited use in the L-M and M-1 Zones, adding clarifying language indicating them as a permitted use in the SC and M-2 Zones, and granting existing self-storage uses an exemption from CMC Chapter 19.58 Nonconforming Use in the Zoning Ordinance Amendment.

The proposed ordinance is exempt from the California Environmental Quality Act ("CEQA") under the State CEQA Guidelines (Chapter 3 of Title 14 of the California Code of Regulations beginning at Section 15000), specifically: Section 15060(c)(2), because the item will not result in a direct or reasonably foreseeable indirect physical change in the environment; Section 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because the subject regulations have no potential for resulting in any significant physical change to the environment, directly or indirectly; and Section 15061(b)(3), because the item is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment; and Section 15378(b)(5), because this item involves an administrative activity that will not result in a direct or indirect physical change to the environment. Therefore, this item is exempt from CEQA.

The Planning Commission is requested to review the proposed Zoning Ordinance Amendment, open a public hearing, accept public input, and formulate a recommendation to the City Council.

The Planning Commission may make recommendations or other adjustments deemed to be appropriate. Any person interested in this matter is invited to attend and present testimony either for or against this item. If you challenge the proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice or in written correspondence delivered to the Planning Commission at or prior to the public hearing.
