## **NOTICE OF PUBLIC HEARING**

The City of Camarillo Planning Commission will conduct a public hearing on **Tuesday, June 6, 2023** at 6:30 p.m. in the City Hall Council Chambers, 601 Carmen Drive, Camarillo, CA 93010 on the following agenda item:

### **CUP-421, Dish Wireless**

The City of Camarillo received an application from Jerry Ambrose of the Eukon Group on behalf of Dish Wireless seeking approval of a Conditional Use Permit (CUP-421) to allow the installation of a new stealth wireless communications facility in a new 14-foot-2-inch cupola on an existing building for a total height of 53 feet and two inches, and approval of a height greater than the 35-foot limit in the zone. The project proposes the installation of three six-foot panel antennas and six remote radio units, as well as an equipment area within the existing building. The proposed project is located at 740 Ventura Boulevard on a 24.6-acre parcel within the Commercial Planned Development (CPD) Zone.

The project was reviewed in accordance with the California Environmental Quality Act (CEQA) and the State CEQA guidelines, as well as the City's environmental guidelines, and was determined to be categorically exempt from the provisions of CEQA under Class 3, New Construction or Conversion of Small Structures (CEQA Guidelines Section 15303). This exemption consists of the construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only minor modifications are made in the exterior of the structure. Therefore, no additional environmental review is necessary.

The Planning Commission may make recommendations or other adjustments deemed to be appropriate or propose conditions to the application. Any person interested in this matter is invited to attend and present testimony either for or against the proposed application. If you challenge the proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice or in written correspondence delivered to the Planning Commission at or prior to the public hearing.
